Service Enquiry Form

Please select your service and complete the relevant section. Each section contains 5 questions — multiple choice, a description field, and a file upload.

Residential Construction

Q1. What type of residential construction project are you planning?

☐	New Home Build
☐	Floor Addition / Extension
☐	Structural Repair / Retrofit
☐	Farmhouse / Villa Construction
☐	Commercial

Q2. What is your estimated project budget range?

☐	Under ₹25 Lakhs
☐	₹25 – 75 Lakhs
☐	₹75 Lakhs – 1.5 Cr
☐	Above ₹1.5 Cr
☐	Not decided yet

Q3. Do you already have approved drawings or permits?

☐	Yes, fully approved
☐	In progress / pending approval
☐	No, need assistance with permits
☐	Not applicable

Q4. Describe your project — including plot size, number of floors, key rooms, and any special requirements.

e.g., 30×40 site, G+2 floors, 3 BHK, terrace garden, need vastu compliance...

Q5. Upload supporting documents (site plan, approved drawings, reference images, or soil reports — if available).

Click to upload or drag files here

Accepted: PDF, JPG, PNG, DWG

Interiors

Q1. What type of interior project do you need?

☐	Full Home Interiors
☐	Modular Kitchen
☐	Wardrobe / Storage
☐	Office / Commercial Space
☐	Single Room (Living / Bedroom / etc.)

Q2. What is your style preference?

☐	Contemporary / Modern
☐	Minimalist
☐	Traditional / Classic
☐	Industrial / Loft
☐	Open to suggestions

Q3. What is your estimated budget range for interiors?

☐	Under ₹5 Lakhs
☐	₹5 – 15 Lakhs
☐	₹15 – 40 Lakhs
☐	Above ₹40 Lakhs
☐	Not sure yet

Q4. Describe your space — property size, key rooms to be designed, and any specific needs or preferences.

e.g., 1200 sq ft apartment, 2 BHK, want TV unit, study corner, prefer neutral tones...

Q5. Upload floor plan, inspiration images, or photos of the current space.

Click to upload or drag files here

Accepted: PDF, JPG, PNG

Painting

Q1. What type of painting service do you require?

☐	Interior Painting (Walls / Ceiling)
☐	Exterior / Facade Painting
☐	Textured / Decorative Finishes
☐	Wood / Metal Surface Painting
☐	Full Property (Interior + Exterior)

Q2. What is the approximate paintable area?

☐	Under 500 sq ft
☐	500 – 1500 sq ft
☐	1500 – 3000 sq ft
☐	Above 3000 sq ft
☐	Not measured yet

Q3. What finish type are you looking for?

☐	Matt / Flat
☐	Sheen / Satin
☐	Semi-Gloss / Gloss
☐	Texture / Stucco
☐	Undecided — need guidance

Q4. Describe the property and painting scope — number of rooms, surface condition, colour preferences, or any special areas.

e.g., 3 BHK flat, walls to be repainted in light greys, one accent wall with texture, current paint is peeling...

Q5. Upload photos of the areas to be painted or reference colour/finish images.

Click to upload or drag files here

Accepted: JPG, PNG, PDF

Electrical Services

Q1. What type of electrical work do you need?

☐	New Wiring / Rewiring
☐	Panel / DB Upgrade
☐	Switches, Sockets & Fixtures
☐	EV Charging Point Installation
☐	Fault Finding & Repair

Q2. What is the property type and scale?

☐	Residential – Apartment
☐	Residential – Independent House / Villa
☐	Commercial / Office
☐	Industrial / Factory
☐	Agricultural / Farm

Q3. Is this an urgent / breakdown situation or a planned installation?

☐	Urgent – breakdown or hazard
☐	Planned – new installation
☐	Planned – upgrade or modification
☐	Inspection / audit only

Q4. Describe the electrical requirement — property size, current issue, load details, or specific fixtures needed.

e.g., 2000 sq ft office, need new wiring for 20 workstations, 3-phase supply, 2 AC points...

Q5. Upload electrical layout, existing panel photos, or any related drawings.

Click to upload or drag files here

Accepted: PDF, JPG, PNG, DWG

Plumbing Services

Q1. What type of plumbing work do you need?

☐	New Plumbing Installation
☐	Leak Detection & Repair
☐	Bathroom / Kitchen Fixtures
☐	Drainage / Sewer Line Work
☐	Water Tank & Pump Installation

Q2. What is the property type?

☐	Residential – Apartment
☐	Residential – Independent Home
☐	Commercial / Retail
☐	Industrial / Manufacturing
☐	Agricultural / Farm

Q3. How urgent is this requirement?

☐	Emergency – active leak or blockage
☐	Moderate – within a week
☐	Planned – within a month
☐	Future planning / quotation only

Q4. Describe the plumbing issue or installation scope — location, symptoms, or fittings required.

e.g., bathroom has slow drain, kitchen tap leaking, need new overhead tank and pump for new house...

Q5. Upload photos of the affected area, plumbing layout, or relevant documents.

Click to upload or drag files here

Accepted: JPG, PNG, PDF

Solar Services

Q1. What is the installation type and connectivity requirement?

☐	On-Grid (Grid-Tied)
☐	Off-Grid (Battery Backup)
☐	Hybrid (Grid + Battery)
☐	Not sure — need recommendation

Q2. What is the primary use case?

☐	Residential Home
☐	Commercial / Office / Retail
☐	Industrial / Factory
☐	Agricultural / Farm Pump
☐	Community / Common Area

Q3. What is your average monthly electricity bill?

☐	Under ₹1,500
☐	₹1,500 – ₹4,000
☐	₹4,000 – ₹10,000
☐	Above ₹10,000

Q4. Describe your energy needs — roof type & area, current units consumed, load list, or any government subsidy interest.

e.g., RCC flat roof, 200 sq ft usable space, 400 units/month, interested in PM Surya Ghar subsidy...

Q5. Upload your recent electricity bill, roof photos, or site plan.

Event Management

Q1. What type of event are you planning?

☐	Wedding / Sangeet / Reception
☐	Corporate Event / Conference
☐	Birthday / Anniversary / Private Party
☐	Product Launch / Exhibition
☐	Religious / Community Function

Q2. What is the approximate guest count?

☐	Under 50 guests
☐	50 – 150 guests
☐	150 – 500 guests
☐	Above 500 guests

Q3. What services do you need from TatvaOps?

☐	Full event management (end-to-end)
☐	Décor & theme setup only
☐	Catering coordination
☐	AV, lighting & entertainment
☐	Venue sourcing & logistics

Q4. Describe your event — preferred date(s), venue (if finalised), theme or style, and key expectations.

e.g., wedding reception on 15 Feb, ~300 guests, outdoor garden venue, royal Rajasthani theme, need full management...

Q5. Upload inspiration images, mood boards, venue layout, or prior event references.

Click to upload or drag files here

Accepted: JPG, PNG, PDF

Property Development

Q1. What type of property development are you considering?

☐	Residential Plots / Layouts
☐	Apartment / Multi-storey Project
☐	Commercial / Retail Complex
☐	Mixed-Use Development
☐	Joint Development (JD) / JV

Q2. What is your current stage?

☐	Land identified, need feasibility study
☐	Project planned, need development partner
☐	Already have approvals, need execution
☐	Investor / looking for opportunities

Q3. What is the expected project investment scale?

☐	Under ₹1 Cr
☐	₹1 – 5 Cr
☐	₹5 – 20 Cr
☐	Above ₹20 Cr

Q4. Describe the project — land size, location, zoning, expected units or area, and your involvement / role.

e.g., 2-acre land in Devanahalli, zoned for residential, want to develop 40 villa plots, looking for turnkey developer...

Q5. Upload land documents, approved plans, site photos, or feasibility reports.

Click to upload or drag files here

Accepted: PDF, JPG, PNG, DWG

Home Automation

Q1. Which automation systems are you interested in?

☐	Smart Lighting & Scenes
☐	Security (CCTV, Smart Locks, Video Door)
☐	Home Theatre / AV Control
☐	Smart Curtains / Climate Control
☐	Full Home Automation Suite

Q2. Is this for a new or existing property?

☐	New construction / under-build
☐	Existing home – retrofit
☐	Apartment / flat
☐	Villa / independent house
☐	Office / commercial space

Q3. What is your preferred control mode?

☐	App control (smartphone)
☐	Voice control (Alexa / Google)
☐	Wall panels / touch switches
☐	All of the above

Q4. Describe the property — size, number of rooms or zones, current wiring availability, and specific automation goals.

e.g., 4 BHK villa, 3000 sq ft, under construction, want smart lighting in all rooms + security cameras + video doorbell...

Q5. Upload floor plan, electrical layout, or reference images of automation features you like.

Click to upload or drag files here

Accepted: PDF, JPG, PNG, DWG

Farm Infrastructure Setup

Q1. What type of farm infrastructure do you need?

☐	Polyhouse / Greenhouse Construction
☐	Farm Storage / Cold Room
☐	Livestock Shed / Poultry Unit
☐	Farm Road & Boundary Wall
☐	Integrated Farm Infrastructure

Q2. What is the land area for development?

☐	Under 1 Acre
☐	1 – 5 Acres
☐	5 – 20 Acres
☐	Above 20 Acres

Q3. Do you have power and water availability on site?

☐	Yes – grid power & borewell available
☐	Partial – only one is available
☐	No – need full utility setup
☐	Need assessment / not sure

Q4. Describe your farm and infrastructure goals — current use, proposed structures, crop/livestock type, and any specific requirements.

e.g., 5-acre mango farm, want to add drip irrigation, 1 polyhouse for vegetables, boundary fencing, and a 2-room farmhouse...

Q5. Upload farm layout, land documents, satellite images, or reference photos.

Click to upload or drag files here

Accepted: PDF, JPG, PNG

Irrigation Automation

Q1. What type of irrigation system do you need?

☐	Drip Irrigation
☐	Sprinkler System
☐	Micro-Sprinkler / Fogger
☐	Fertigation (Drip + Fertiliser)
☐	Smart / Automated Irrigation System

Q2. What crops or areas are you irrigating?

☐	Row Crops (vegetables, pulses)
☐	Orchards / Fruit Trees
☐	Greenhouse / Polyhouse
☐	Lawn / Landscaping
☐	Mixed / Multiple crop types

Q3. What is your water source?

☐	Borewell / Tubewell
☐	Open Well / Tank
☐	Canal / River
☐	Municipality / Piped supply
☐	Rainwater Harvesting

Q4. Describe your irrigation needs — land size, crop type, water availability, current system (if any), and automation requirements.

e.g., 3-acre tomato farm, borewell water, currently using flood irrigation, want to shift to drip with timer-based automation...

Q5. Upload farm layout, soil/water test reports, or photos of the current irrigation setup.
